Enclosed for the Laboratory are various notes, books, and writings found in the room of SIRHAN BISHARA SIRHAN.

The enclosed items consisting of various notes, books, and writings found in the room of the subject were obtained by the Los Angeles Police Department as evidence. United States Attorney WILLIAM MATTHEW BYRNE, JR., Central District of California, has been in contact with the office of Los Angeles County District Attorney EVELLE YOUNGER. Mr. BYRNE states this material should be handled like all other evidence, that is, the contents should remain confidential and not be disclosed publically prior to trial or to unauthorized individuals. Mr. BYRNE added that should the contents be disclosed, it could have a serious adverse effect involving successful prosecution in either Federal or State court and could needlessly subject the Federal Government to adverse criticism.

Taking all factors into consideration and if feasible, the Bureau may desire to consider the processing of the enclosed material for fingerprints. In addition, the Bureau is requested to make appropriate handwriting comparisons to establish the identity of the author and/or owner. In addition, the Bureau is requested to conduct all other known possible types of examinations of the material that may be of benefit to the investigation and prosecution of this case or may be pertinent at any future

DATE: 6/6/68

FROM : *R* ASAC RICHARD D. ROGGE

SUBJECT: KENSALT

At 7:23 A.M., 6/6/68, SA BENJAMIN H. COOKE, General Investigative Division, telephonically called concerning the package of evidence transmitted to the Bureau on 6/5/68.

COOKE stated inquiries have been received from the Laboratory and they desire to know (1) Has the information submitted been xeroxed? (2) Has the material been reviewed for lead purposes? (3) Have any efforts been made to obtain the services of an Arabic translator to translate the Arabic writing included in the material?

COOKE was advised that the material had, in fact, been duplicated and would certainly be reviewed for lead purposes. He was advised that inquiry would be made concerning what arrangements, if any, are necessary to translate the Arabic material. COOKE stated the Laboratory had indicated they may be able to obtain an Arabic translator if requested.

Inquiry at Los Angeles has determined that no arrangements have been made to obtain the services of an Arabic translator and that while xerox copies have been made of the material submitted, some of the material by its very nature could not be readily duplicated. In view of the necessity to transmit this material to the Bureau expeditiously, it was not possible to obtain legible copies of all the material transmitted to the Bureau.

Enclosed for the Laboratory is a two-page hand-written letter with envelope from Mr. and Mrs. T. J. BYRNE, 6618 Willoughby Avenue, Hollywood, California 90038. Also enclosed is a hand printed note on approximately a 5 by 8" piece of paper bearing, "Where is Oswald now that we need him?"

The enclosed was received by the Los Angeles Division on 6/6/68, from Mr. and Mrs. BYRNE and the letter indicates that the BYRNEs had a photograph of Senator KENNEDY in the living room window. On arriving home the day after the photograph was put in the window, the above described hand printed note was attached to the mail box.

The Laboratory is requested to examine the hand printing on the note and compare it with any other hand printing submitted in this case now or at a later date in an attempt to identify the printer. It is also requested that upon completion of any other examination deemed advisable by the Laboratory, the above piece of paper be examined for any possible latent fingerprints and compared with the fingerprints of the subject in this case.

The above may be retained by the Laboratory.

Los Angeles, California 90012

Attn: Mr. Lynn Compton
Deputy District Attorney

Dear Mr. Younger:

As you are aware, the material obtained by Los Angeles Police Department officers from the home of Sirhan Bishara Sirhan on June 5, 1968, has been forwarded to the FBI Laboratory in Washington, D.C., for analysis.

This matter was telephonically discussed by Supervisor Chester E. St. Vincent with Mr. Compton on June 6, 1968, at which time Mr. Compton indicated he desired the FBI to proceed with any and all examinations as would be normal in a criminal case. This should be done realizing this analysis might possibly result in a slight discoloration of some of the documents which would be the result of normal routine examination.

Please be assured of our desire to be of assistance to you in all matters of mutual interest.

Very truly yours,

- Q12 One-page announcement beginning "MEET A WINNER..."
- Q13 Pamphlet entitled "MENTAL PROJECTION"
- Q14 Business card of BORIS YARO, STAFF WRITER, LOS ANGELES TIMES, bearing on reverse side handwritten notation "7469541, 625 W 28th St., L.A."

ALSO SUBMITTED: Manila-type folder

Result of examination:

The signature on the available photocopy of the fingerprint card of SIRHAN BISHARA SIRHAN (obtained by St. Horse Racing Bd., Los Angeles, California) is too limited and not sufficiently comparable with the questioned writing on the specimens described above for the purpose of determining whether SIRHAN wrote any of the questioned writing.

The submitted material is being returned separately to FBI, Los Angeles. This material has been photographed.

A translation of the foreign language material contained in the submitted specimens is attached.

Note for Los Angeles:

This supplements Bureau teletype dated 6/6/68 to Los Angeles in this case.

A separate report is being submitted concerning the fingerprint examination, at which time you will be advised with respect to the return of the submitted evidence.

Nothing significant was noted in the cryptanalytic examination of specimens Q1 through Q14.

The questioned writing was searched through the appropriate sections of the National Security File without effecting an identification with any prior submission. [S]

It was found that the typewriting on Q7 and Q11 is not clear enough for adequate examination.

Certain indented writings were found on pages of the notebook, Q3. It was found that these indented writings correspond to writings on other pages in the submitted material.

Various ink and pencil writings appear on the questioned documents. Faint writings consisting of ink transfers were noted on pages 65 and 122 of notebook, Q3. Ink transfers of this nature sometimes occur when documents are pressed closely together for some period of time. The faint writing on page 122 of Q3 is a transference of a portion of page 123 of Q3. The original document from which the ink transference on page 65 of Q3 originated does not appear to be contained in any of the submitted material.

The seven sheets of spiral notebook paper listed as Q5 correspond in physical features to the pages in the notebook, Q3. The sheets in Q5 were probably torn from Q3.

Stains appear on certain of the questioned documents. Since exhaustive Laboratory examination of the stains would entail destruction of portions of the documents, chemical examinations of the stains were not made.

Two copies of the translation of the foreign language material contained in the submitted specimens are forwarded to Los Angeles.

On June 7, 1968, COMMANDER CHARLES J. STAHL, USN, Chief of the Forensic Pathology Branch, Armed Forces Institute of Pathology (AFIP), Washington, D.C., (Government line, Code 11 - 67194) civilian telephone number 696-7194, advised as follows:

He was sent from Washington, D.C., with two other doctors from his section, to assist in the Senator ROBERT F. KENNEDY matter. He was present, with members of his staff, when the autopsy was performed and is assisting Dr. THOMAS T. NOGUCHI of the Los Angeles County Coroner's Office. He does not desire that any information be given out concerning his presence in Los Angeles.

Commander STAHL desired to know on whose authority SA YOUNG had ordered a complete set of the photographs taken at the KENNEDY autopsy. Commander STAHL was advised that this was done specifically on the orders of the Special Agent in Charge, WESLEY G. GRAPP.

Commander STAHL stated that due to his staff being present at the autopsy, a number of extra photographs were made for medical reasons alone and desire to know whether such photographs would be necessary in the six sets ordered by the FBI. Commander STAHL advised that not all the photographs taken would be referred to in the autopsy report. He desired to furnish only those photographs that would be referred to in the autopsy report.

In view of the fact SA CHESTER ST. VINCENT was not available for contact at this time, SA LEO LA RUE advised he felt sure that SAC GRAPP would want copies of all photographs taken at the autopsy so there would be no future slip-ups in this matter.

Commander STAHL was re-contacted on the personal, unlisted telephone number of Dr. NOGUCHI, 629-3493, and informed that the order still stood as originally given, that the FBI desired six copies of all photographs taken at the time of the autopsy.

UNKNOWN SUBJECT,
PRESENTATION OF ROSES CONTAINING
UNIDENTIFIED DEVICES TO
SENATOR ROBERT F. KENNEDY
JUNE 1, 1968
SAN FRANCISCO, CALIFORNIA

On June 9, 1968, Jerry DeLaVega, 1863 - 9th Avenue, San Francisco, telephone 566-3814, appeared at the office of the Federal Bureau of Investigation, San Francisco with Robert Richardson, 1144 Cervantes Street, Pacifica, California. DeLaVega is a Yellow Cab driver and made available a bronze-colored disc with a short wire attached which gave the impression of being some sort of fusing device for military ordnance, exact nature of which is unknown. This device had been discovered by DeLaVega on the floor of his cab immediately after he had left his fare at the San Francisco International Airport.

DeLaVega related the following circumstances:

He was driving his cab on Saturday, June 1, 1968, the day of the Robert F. Kennedy and Eugene McCarthy Debate on television. He was parked in front of the Hilton Hotel, San Francisco, at approximately 4:30 p.m., when a man giving him the impression of a businessman entered his cab. The man asked DeLaVega where he could locate a couple of girls who would like to help him out by "putting Kennedy on". DeLaVega understood this to mean that the man was going to play a joke on Kennedy. The man said he wanted the girls to present some flowers to Kennedy.

UNKNOWN SUBJECT,
PRESENTATION OF ROSES CONTAINING
UNIDENTIFIED DEVICES TO
SENATOR ROBERT F. KENNEDY
JUNE 1, 1968
SAN FRANCISCO, CALIFORNIA

DeLaVega drove the man to the vicinity of the University of San Francisco looking for a couple of girls and found none. DeLaVega suggested they might find someone in the Haight-Ashbury District of San Francisco. DeLaVega said the man seemed to be a complete stranger to San Francisco. He drove the fare to Stanyan and Haight Streets and picked up a white female juvenile, about 17 to 20 years old, medium build, long dark hair, wearing casual sports clothes. The girl agreed to present the flowers to Kennedy. They drove about a block more and located a white male juvenile, about the same age, with a large German Shepherd dog. The male is described as 5 feet 8 inches tall, 125 to 130 pounds, wearing dark brown clothes. The male agreed to accompany them in presentation of the flowers. Both the girl and male were complete strangers to his fare.

After picking up the two individuals at his fare's request, they drove back to the Hilton Hotel to pick up the flowers. The man went into the hotel and after waiting some time returned to the cab with two green boxes of long stem yellow roses. He sat in the front seat with the driver while the other two were in the back with the dog. The man instructed that they drive to KGO television station where Senators Kennedy and McCarthy were to appear.

DeLaVega observed the man remove the flowers from the boxes and from a brown leather attache case he removed several of the same type of bronze-colored discs, possibly 10 or 12 all wired together with what appeared to be florist wire and wired this group of discs to the yellow roses. He repeated this with the other roses and another group of the discs. The metal discs had apparently been prepared ahead of time and each was wired with wire wrapped around the center of each disc, this being separate from the fine wire soldered to each disc. The man stated that these devices were "bugging devices" and indicated he was not sure but believed the fine wire was going to a telephone some way and the disc fit into the telephone.

UNKNOWN SUBJECT,
PRESENTATION OF ROSES CONTAINING
UNIDENTIFIED DEVICES TO
SENATOR ROBERT F. KENNEDY
JUNE 1, 1968
SAN FRANCISCO, CALIFORNIA

The man gave each bunch of the roses to the girl and boy and instructed them to go to each entrance and give them to Kennedy. This was done so that if Kennedy missed one the other would be able to give him the flowers.

DeLaVega said he drove to the television station, parked his cab on Polk Street and all three individuals left the cab and disappeared into the crowd about the time Senators Kennedy and McCarthy arrived. They were gone about 10 to 15 minutes. All three returned to the cab and the girl said she had personally given Kennedy her bunch of the roses. Disposition of the other bunch of the roses is unknown to DeLaVega. The girl said to the man that the discs were apparent to persons in the crowd and several of the people in the crowd seeing the bouquet said "Hey, it's bugged".

DeLaVega said the man seemed pleased that Kennedy had gotten the roses and he observed him pay each of the other two passengers five dollars plus some one dollar bills.

Some time during the cab ride the man had mentioned that McCarthy had gotten a similar bouquet in Los Angeles and he had come up here especially to present the flowers to Kennedy in San Francisco.

After the flowers had been given, the man asked DeLaVega to take him to the San Francisco International Airport after he dropped off the other two. They drove back to the Haight-Ashbury District and the male with his dog got out. The female asked if he could drop her off at home in San Bruno inasmuch as they were going to the airport.

DeLaVega said he took her home and believed he might possibly be able to locate the house again saying that it was in a group of tract homes. He is not sure and he did not record the address any place. He then drove the man to the San Francisco International Airport and believes he delivered him to the United Air Lines area. Cab fare was about \$18, and the man gave him \$35 and told him to keep the change. He described the unknown male fare as a white male American, about 50 years old, 5 feet 8 inches to 5 feet 9 inches tall, weighing 200 pounds, athletic build,

heavy eyebrows, gray hair, balding or thinning on top, somewhat bushy and long like a hippie at the rear. He wore a full mustache, gray-white in color and gave the impression of being Irish-Danish in descent. He had a fair complexion and a roundish face and wore a watch but no rings. He had on a brown coffee-colored type suit and stated sometime during the ride that he was a salesman for Encyclopedia Britannica. There was no noticeable accent in his speech.

The attache case he carried was of cowhide color and was a square-cornered case with a handle at the top and dividers and carried various papers as well as the metal discs.

On June 10, 1968, Major Edward Hardy, Sixth Army Headquarters, Ordnance Section, Explosive Disposal Program, Presidio of San Francisco, examined the metal disc and could not identify it as an explosive device or component of any explosive device. He examined the contents of the device and noted that the black powder contained therein was not an explosive material.

On that same date the disc was examined by Archie B. Savage, Special Agent, Army Intelligence, Presidio of San Francisco and he could not identify it as any type of recording device with which he was familiar and did not, in fact, believe it to be a recording device.

THE ROSICRUCIAN ORDER
also known as Ancient Mystical
Order, Rosae Crucis (AMORC)

*The following info came from the Rosicrucian Order was furnished
to SA Wm B. Kidwell, Jr. at San Jose, Calif. on 6/12/68.*

CECIL A. POOLE, Vice President and Treasurer, Rosicrucian Order, Rosicrucian Park, San Jose, California, advised on June 12, 1968, that this organization is a world-wide fraternal organization established and operating on a lodge system. It is nonsectarian in every respect and is not a religion, although the ethics of the Order adhere to the principles of Christianity. The teachings of this organization do not interfere with the religious freedom of its members.

Any law-abiding citizen of either sex and over twenty-one years of age, of good repute and having a firm conviction in a supreme being, is eligible for membership in the Grand Lodge of the Rosicrucian Order. The organization includes in its membership a cross-section of all classes of people. The membership includes manual laborers, prominent businessmen, directors of industries, physicians, attorneys, scientists, artists, editors, educators, and authors, who find the teachings stimulating and liveable. The Rosicrucian Order is nonpolitical and not aligned or associated with any movement, system, or group having political activities. The Rosicrucian oath of membership has for many years exacted the promise "that I will honor and respect the flag of my country and the country in which I live; that I will never be guilty of treason; that I will be a good and useful citizen contributing to the advancement and welfare of the country in which I enjoy the privilege of being a resident."

Mr. POOLE stated that the Order traces its origin to the mystery schools or secret schools of learning established in Egypt about 1500 B.C. The International headquarters and the Order-sponsored university have been located in San Jose, California, since the 1920s. The Order was re-established in the United States in 1915 and presently has a membership of thousands of people in many countries of the world. The Order maintains the only public free museums in San Jose, including the Science Museum and the only strictly Egyptian and Oriental Museum on the

Pacific Coast. All public libraries in the Americas and many libraries in Europe contain one or more copies of Rosicrucian philosophical works.

Mr. POOLE stated that a detailed history of the Order can be found in the Fourteenth Edition of the Encyclopedia Britannica (New Standard Encyclopedia) and "Rosicrucian Questions and Answers with Complete History of the Order" by Dr. H. SPENCER LEWIS, which work is available in the public libraries.

Remarks:

Q16 and the ALSO SUBMITTED material are being returned separately with the result of the latent fingerprint examination.

The hand printing on Q16 is not comparable with the known handwriting submitted previously in this matter. No watermarks or indented writing was found on Q16 which would permit determination of the source of this specimen. Two small pieces of cellophane tape were attached to Q16 at the time this item was received in the FBI Laboratory. Your airtel advised that Q16 was attached to a mailbox at the time it was found by the recipient. No unusual features were noted in the cellophane tape which would permit a determination of its source.

Enclosed for the Laboratory are two senior high school program cards for SIRHAN SIRHAN dated 1/29/62 and 9/11/61.

The above cards were provided by Mrs. JEAN O. MORE, Records Clerk, John Muir High School, 1905 North Lincoln, Pasadena, California, to SA RICHARD H. ROSS. Mrs. MORE stated the cards contained the handwriting and handprinting of SIRHAN SIRHAN. She said that according to registration practices at the high school during the 1961 and 1962 school year, students were required to write the name of their parent or guardian and the date the form was executed. The student received the card in the early morning and was required to return the card at the end of the same school day; therefore, she is of the opinion that the writing is that of SIRHAN SIRHAN, even though the signature is in the name of Mrs. MARY SIRHAN.

The Lab is requested to conduct appropriate handwriting and handprinting analysis, utilizing the enclosed cards. These cards are to be returned to Los Angeles upon completion of examination.

5. Twelve pounds, ten ounces shell casings retrieved in vicinity and in front of firing positions 20 to 23, same gun club.

It is noted that the above shell casings were obtained at the San Gabriel Valley Gun Club on 6/10/68. It is further noted that management of the gun club has indicated that their normal procedure is to simply let expended shell casings accumulate. The last pick up was made at least several months ago.

The laboratory is requested to compare all .22 caliber casings in boxes two, three, four and five with casing contained in box number one, to determine if the same weapon was used in firing any of the .22 caliber casings. Following the laboratory examination, it is requested that item contained in box one be returned to the Los Angeles Office. The remainder is left to the discretion of the laboratory and may be discarded with the exception of items pertinent to this case.

These were taken at f. 32 at 1/100 sec., from approximately 6 feet distance, utilizing a strobe light for the light source. The exposures are of the clothing of SIRHAN SIRHAN, which he was wearing when he was arrested by the LAPD on 6/5/68, minutes after the shooting of Senator ROBERT KENNEDY.

The following items of clothing were photographed:

One pair gray, rib-knit socks; front and back view of white T-shirt; faded blue denim jeans; very light blue oxford cloth dress shirt; blue velour zippered pullover shirt; and three photographs of gray suede slip-on shoes.

DATE: 6/17/68

FROM : SA RUSSELL C. ANDERSON

SUBJECT: KENSALT

On June 14, 1968 Mr. RICHARD LUCIEN, manager of industrial relations, The Burroughs Corporation, 460 North Sierra Madre Villa, Pasadena California was contacted regarding an employment application which SIRHAN SIRHAN made with the previously mentioned company. Mr. Lucien made available the original employment application but stated the actual interview of SIRHAN was conducted by MELVIN OLSON, employment representative.

On June 14, 1968 MELVIN OLSON, above, was contacted regarding his interview with SIRHAN SIRHAN on November 7., 1967. OLSON was shown the original employment application and he stated the form was filled out by SIRHAN SIRHAN in black ballpoint, and the red ballpoint notations were completed by him. He advised that SIRHAN was applying for an assembly line job and was not hired because of a sta ted back injury, and a previous poor work record. Olson advised that SIRHAN SIRHAN was referred to this company through the state (California) unemployment agency in Pasadena.

Olson stated that he could recall no additional information regarding this particular interview; he was shown a photograph of SIRHAN SIRHAN (dated 6/5/68, by L.A.P.D.) and he advised that he could not positively state that this was the man who filled out the employment application in the name of SIRHAN SIRHAN on 11/7/67.

FD #02s on the above interviews have been dictated.

Result of examination:

Due to differences in time of writing and due to the limited amount of available writing of Sirhan Bishara Sirhan, a definite conclusion was not reached whether Sirhan Bishara Sirhan wrote any of the questioned writing on specimens submitted previously in this matter. Due to the limited amount of writing available for examination, a definite conclusion was not reached whether the writers of K4 through K7 wrote any of the questioned writing on the specimens submitted previously.

Specimens K2 through K8 are being returned to FBI, Los Angeles. Specimen K9 is being returned to FBI, San Francisco. These specimens have been photographed.

NOTE FOR LOS ANGELES AND SAN FRANCISCO:

This confirms Bureau teletypes dated 6-11-68, 6-12-68, and 6-13-68 addressed to Los Angeles in this matter. For your investigative guidance, similarities were noted in the writings of Sirhan Bishara Sirhan and certain questioned writings.

Los Angeles has been requested to obtain contemporary writings of Sirhan containing words and letters comparable with the questioned writing. Efforts to obtain known writings comparable with the questioned writing should be continued.

San Francisco requested the return of specimen K9 so that it could be returned to the Argonaut Insurance Company. Since K9 may become a piece of crucial evidence in this case, San Francisco should retain K9 until such time as this specimen may no longer be needed as evidence.

Enclosed for the FBI Laboratory is an original employment application executed in the name of SIRHAN SIRHAN for the Burroughs Corporation, Pasadena, California, dated 11/7/67.

Enclosed document was made available on 6/14/68 by RICHARD LUCIEN, Manager, Industrial Relations at Burroughs Corporation, 460 North Sierra Madre Villa, Pasadena, California; however, he stated that the actual interview of SIRHAN was conducted by the employment representative, MELVIN OLSON.

My dear ones,

I don't know whether I thanked you or replied to your last dear letter, but if this is the case, it was unintentional, and so now I will thank you twice. I am always very glad when I hear from you and your letters are very dear to me! The day before yesterday I received a letter from Greta Musilova which saddened me very much. Karel is gravely ill, as you know it well yourselves, and there is no hope for his recovery. The doctor gives him one year to live, and this is great suffering, not only for him (he doesn't know it) but also for Greta. She has had more than her share of troubles already. I am very sorry for her and think of her all the

time. Write to her soon, but in such a way that Karel could read it, too. So, I cannot write all about him (what Greta wrote to me). Mirek finished his course of study and now is waiting for a place (employment). He was here all of April when he finished his studies. He came down with his brother-in-law, who was going to Germany on official business, and so he stopped here, too. I was very pleased, because one never knows whether or not we will see each other again. We talked about you all. Last week he left and I wish very much that he finds something suitable; otherwise I suppose he will return (two illegible words). As you certainly know, things are a little more relaxed here. Freedom is the most precious thing one can have and we (the people) have not even suspected for the whole twenty years what an orgy has been carried on behind our backs. We hope for better times.

They announced over the radio this morning that Robert Kennedy was shot - for God's sake, what is going on - and it always happens to the best ones! When you write to me, Paul, tell me about it. As I became old, I became interested in politics and in everything around me. What about your house? Have you sold it yet? Do not hurry; you would miss it and the garden, and I would lose a pleasant memory about the place where I spent a number of nice days.

Is Lilinka well? I wish you both much health for as long as possible. I already feel my years, slowly but surely.

Irena will possibly fly again with Max to the U. S. for her (?) sons (?). She wrote to me to come with Emily to Vienna for three days. We shall see. Poor people, they have it so uncertain again - such is the world - disgusting!

I give my best regards to your children, also to the Goldsneiders - Tony and Flero (?). I think of you and kiss you.

Ludka (Ludmila).

My dear ones,

I don't know whether I thanked you or replied to your last dear letter, but if this is the case, it was unintentional, and so now I will thank you twice. I am always very glad when I hear from you and your letters are very dear to me! The day before yesterday I received a letter from Greta Musilova which saddened me very much. Karel is gravely ill, as you know it well yourselves, and there is no hope for his recovery. The doctor gives him one year to live, and this is great suffering, not only for him (he doesn't know it) but also for Greta. She has had more than her share of troubles already. I am very sorry for her and think of her all the

time. Write to her soon, but in such a way that Karel could read it, too. So, I cannot write all about him (what Greta wrote to me). Mirek finished his course of study and now is waiting for a place (employment). He was here all of April when he finished his studies. He came down with his brother-in-law, who was going to Germany on official business, and so he stopped here, too. I was very pleased, because one never knows whether or not we will see each other again. We talked about you all. Last week he left and I wish very much that he finds something suitable; otherwise I suppose he will return (two illegible words). As you certainly know, things are a little more relaxed here. Freedom is the most precious thing one can have and we (the people) have not even suspected for the whole twenty years what an orgy has been carried on behind our backs. We hope for better times.

They announced over the radio this morning that Robert Kennedy was shot - for God's sake, what is going on - and it always happens to the best ones! When you write to me, Paul, tell me about it. As I became old, I became interested in politics and in everything around me. What about your house? Have you sold it yet? Do not hurry; you would miss it and the garden, and I would lose a pleasant memory about the place where I spent a number of nice days.

Is Lilinka well? I wish you both much health for as long as possible. I already feel my years, slowly but surely.

Irena will possibly fly again with Max to the U. S. for her (?) sons (?). She wrote to me to come with Emily to Vienna for three days. We shall see. Poor people, they have it so uncertain again - such is the world - disgusting!

I give my best regards to your children, also to the Goldsneiders - Tony and Flero (?). I think of you and kiss you.

Ludka (Ludmila).

Specimens received

Q21 Metal container, piece of wire and slack particles

Results of examination:

Specimen Q21, as received in the Laboratory, consists of a metal container, a piece of insulated wire and numerous black particles. Specimen Q21 is contained in a plastic envelope and the wire is not attached to the metal container.

The blast drum-shaped metal container in specimen Q21 is approximately 13/16" in diameter and approximately 5/16" thick. A 1/4" diameter brass rod extends from one side of the container and a mica diaphragm and brass plate are mounted on the other side. Black granules or particles are present in the container. The container appears to have been damaged before receipt in the Laboratory.

The metal container appears to be a microphone button of the type used in telephones manufactured twenty to thirty years ago. Microphone buttons of this type were manufactured in great quantities. These microphone buttons contain carbon granules which form a variable resistance under the influence of voice vibrations. Without additional components and circuitry, Q21 could not transmit special speech signals or otherwise act as a monitoring "bug."

The black particles present in Q21 are essentially carbon.

There are impressions on the metal container which appear to have been made by a tool employing a gripping action such as a pair of pliers. There are also scratch type marks on the container which are not sufficiently characteristic to determine the type object causing these marks. The marks and impressions on the metal container are suitable for comparison purposes.

Result of examination:

The conclusion was reached that the majority of the questioned writings on pages fifteen and forty, seven of notebook Q1 were not written by SAIDALLAH B. SIRHAN, K11; by SHARIF B. SIRHAN, K12; or by MUNIR BISHARA SIRHAN, K13. While the writings on K11 through K13 are too limited and not sufficiently comparable for adequate comparison with other questioned writings on the specimens submitted previously in this case, many differences in handwriting characteristics were found.

Due to the limited nature of the writing on K10 and due to a lack of comparable handwriting, the writing of ADEL BISHARA SIRHAN, K10, could not be adequately compared with the questioned writings. Some differences were found in the writing on K10 and the questioned writings.

Specimens K10 through K13 are being returned to FBI, Los Angeles. These specimens have been photographed.

K16 Cashiers Check #174775, drawn on Crocker-Citizens National Bank, Los Angeles, California, dated 4/12/68, payable to "SIRHAN SIRHAN" in amount of \$1,705.00, and endorsed in name of payee

Result of examination:

The conclusion was reached that SIRHAN BISHARA SIRHAN, whose writings and whose purported writings appear on specimens K1 through K3, K8, K9, K14, and K16, wrote the hand printed address in the lower portion of page one of Q1; the hand printed address and names "SIRHAN SIRHAN" in the upper portion of page 32 of specimen Q1; and the English writing on the front of specimen Q5-F.

The available writing of SIRHAN BISHARA SIRHAN is too limited and not sufficiently comparable with the remaining questioned handwriting on the specimens previously submitted in this matter for the purpose of determining whether SIRHAN BISHARA SIRHAN wrote any of the remaining questioned handwriting. Similarities in handwriting characteristics were found in the writings of SIRHAN BISHARA SIRHAN and a number of the remaining questioned writings, including certain questioned writings on pages 20, 35, 39, 47, 51, and 52 of specimen Q1; pages 123 and 124 of specimen Q3, and the writing on Q4.

The signatures appearing on K15 are too limited to permit adequate comparison of these signatures with the questioned writings.

Specimen K14 is being returned to FBI, San Francisco. Specimens K15 and K16 are being returned to FBI, Los Angeles. These specimens have been photographed. The pamphlet described as "ALSO SUBMITTED" is being retained.

NOTE: For San Francisco and Los Angeles

This confirms Bureau teletype 6/17/68, addressed to Los Angeles.

If future testimony of the FBI Laboratory expert is needed, it will be necessary to utilize as a minimum number of known handwriting standards, the writings on K1 through K3, K9, K14 and K16. The Los Angeles Office should appropriately advise the District Attorney, Los Angeles, that these specimens must be

introduced and authenticated as known handwriting standards of the subject. The only available script writing of the subject appears on specimen K14, and this writing is absolutely essential for the identification of the English writing on Q5-F, and the similarities pointed out with respect to other questioned writings.

If it is possible to obtain additional adequate known handwriting samples prepared by EIRHAN, further conclusions may be reached.

TRANSLATION FROM LATIN

The airmail envelope is addressed to Senator R. Kennedy and Senator Eugene McCarthy, Democratic National Headquarters, Eugene, Oregon.

It bears the postmark of West Palm Beach, Florida, dated May 29, 1968.

A line of French prose or poetry is pasted to the envelope in lieu of a return address. It reads:

A blase bird, if such a bird exists.

The printed message contained in the envelope is a portion of a page taken from a textbook version of Julius Caesar's "Commentarii de Bello Gallico." The portion marked "K" describes a battle in which the Gauls discarded their shields and fought "with their naked bodies."

The portion marked "M" contains descriptions of war actions against the Helvetii.

TRANSLATION FROM LATIN

Post card with airmail postage and an airmail notation addressed to Senator R. Kennedy, Democratic Headquarters, Eugene, Oregon.

The post card bears the postmark of West Palm Beach, Florida, dated May 21, 1968, A.M.

The message on the reverse side of the post card consists of two verses in Latin. They read:

I sing (celebrate) because of the compromise to be made on the swift vessel.

I was only reading the remaining part little by little.

The notation:

"(imperio) by command"

appears at the bottom of the post card.

TRANSLATOR'S NOTE:

The communication is anonymous. The verses appear to be taken from a Latin writing of the classical period, possibly Ovid. It is recalled that correspondence of a similar nature, consisting of verses taken from the classics was handled in the past. This correspondence, consisted for the most part of two or three Latin verses without any explanation.

Result of examination:

The writing on the photocopy, Qc24, is too indistinct for adequate comparison of the "Sirhan Sirhan" signature and address thereon with the available writings of SIRHAN SIRHAN. If the original document for Qc24 or a clearer photograph is submitted, a more suitable examination can be made.

The additional purported handwriting of SIRHAN SIRHAN, designated as specimen K19 is too limited to permit a definite conclusion to be reached whether SIRHAN wrote any of the unidentified questioned writing on the specimens submitted in this matter. It was found that the writing on specimen K19 is of value as an additional handwriting standard of SIRHAN.

Specimens Qc24 and K19 are being returned to FBI, Los Angeles. These specimens have been photographed.

NOTE: For FBI, Los Angeles

Los Angeles will refer to the comments of the FBI Laboratory made previously in this matter. Similarities in handwriting characteristics were found in the known writing of SIRHAN SIRHAN and the signature and address of SIRHAN SIRHAN on Qc24. If the original document or a clear photograph made normal size (with scale exhibited) is submitted, a definite conclusion with respect to the comparison with the writing of SIRHAN may be reached.

Re: Autopsy Report - Senator Robert F. Kennedy:

Dr. THOMAS T. NAGUCHI, M.D., Chief Medical Examiner-Coroner, Los Angeles County, advised that the photographs and report concerning the autopsy conducted by he and his staff on the body of the late Senator ROBERT F. KENNEDY is still not complete. He said the delay is primarily due to one segment of the report which concerns the various organs of the body not directly related to the penetration of the bullets. He said, however, this report will probably be complete within the next week or so and he will probably advise the Los Angeles Office when it is ready. *and home*
Promptly

In connection with the photographs taken during the post mortem examination, he pointed out that there may be between 200 and 300 photographs taken during the autopsy. The Los Angeles Office has requested six sets of photographs at a cost of 27 cents per photograph, therefore, the total approximate cost could be \$486.00.

It is recommended that Bureau authority be obtained to expend money ~~in excess of \$400 to obtain~~ these photographs ~~in the event it is necessary.~~

Q25 White envelope bearing handwritten address "Presedent Johnson, White house Washington, D. C.," postmarked "Pekin, Ill June 20 PM 1968 61554"

Q26 Sheet of white, ruled paper bearing handwritten message beginning "A man by the name of Frank Quartucci. . ." and ending ". . .my family would be in danger"

Result of examination:

The questioned writing on Q25 and Q26 was compared with the Anonymous Letter File without effecting an identification with any prior submission. Copies are being added thereto.

No indented writing was found on Q25 and Q26. No watermarks were found in Q26. The envelope, Q25, contains fragments of a watermark which may be a part of the watermark "KRETONE" which appears in paper sold by the SS. Kresge Company. A six cent U.S. postage stamp which came from a roll of stamps was attached to Q25.

Q25 and Q26 are being retained at the Bureau.

Remarks:

Results of the fingerprint examination of Q25 and Q26 are being furnished separately.

It was found that the handwriting on Q25 and Q26 is not comparable with the known handwriting specimens submitted in the KENSALT case. While an adequate comparison could not be conducted, differences were noted in handwriting characteristics in Q25, Q26, and the known handwriting in the KENSALT case.

The detailed physical characteristics of Q25 and Q26 are being retained for future reference.

Los Angeles will include the results of the FBI Laboratory examination in its investigative report concerning this matter.

Remarks:

The analysis and comparison of voices for speaker identification is conducted to provide investigative guidance.

Due to intermittent background sounds and a poor signal to noise ratio, the utterances recorded on K21 were not suitable for voice comparison purposes. A comparison of the utterances of SIRHAN BISHARA SIRHAN, designated as K20, with the voice of the anonymous caller to Radio Station KNEW, Oakland, California, designated as Q27, has been made. The K20 utterances differ in significant characteristics from the anonymous voice on Q27. It is not likely that they could be the same speaker.

ADMINISTRATIVE PAGE

Although there is no proven scientific basis for accurately determining qualities such as age, education, occupation, regional accent, etc., on the basis of a limited voice sample, the following subjective aural impressions based on the voice quality and language usage of the unidentified caller, are set forth:

The voice of the anonymous caller is that of a mature male, possibly between the ages of 35 to 45. Although the thoughts which he expressed are somewhat disorganized and vaguely stated, it is believed that the caller is intelligent and well read but probably has little if any formal education.

The accent of his initial comment seems to be somewhat affected "hillbilly;" but, thereafter, his accent can be broadly characterized as Southwestern United States. His speech patterns are idiomatic and do not appear to be contaminated by foreign influence.

It is noted that the anonymous caller, with the exception of his initial comment, pronounces his words fully without swallowing syllables or clipping word endings, particularly final (r).

LEGISLATIVE REFERENCE SERVICE
[Senator Edward M. Kennedy]

Paris (France)
June 11, 1968

Dear Brother Kennedy:

Oh, dear God, is it possible that such tragic fate must keep befalling the most noble family of the 20th century, the Kennedys. Please follow the following instructions most faithfully, because a big gang has condemned you, too, to death.

1. Make no statements, not even among your friends or your family, because walls have ears too. Keep quiet.
2. Leave America without delay.
3. Do not get in touch with anyone, not even your own wife, until after the elections.
4. Three months after the elections, you may return to your wonderful and unhappy children.
5. You must take as your companion a hapless Serbian.
6. Do not engage in 1969 in any State affairs.
7. You, unhappy brother Ted, have been condemned to death by the same gang that killed your two brothers. They will kill you on the election day this year. I entreat you as God himself to leave America right away, as soon as you receive this letter.

8. You will find out who I am only after the elections, through your sister in Paris.
9. In 1972, you will become the deserving master of heaven and earth, you will become President of the United States.
10. In 1973, you will avenge your brothers and do away with this gang.
11. For four years, the idiot Johnson has refused to let me settle in Chicago. My entire file is at the Embassy. I should like to ask of you that your sister make it possible for me to settle in Chicago, as I am a political emigre. I am an unfinished student, have not completed my studies. I was an agent of Belgrade, Washington, Moscow, Tel Aviv, and Peking. I was born the same year as you, or, perhaps, a year earlier. I was expelled from France, appealed and my appeal was granted. I look very much like you. I am a teacher by profession, and have completed the work in the Faculty of Philosophy at the University of Belgrade.
12. Let them get me to America in some way. Your sister can do it. I was sick and because of my illness, I was turned down in 1966. My health has now improved, so let them call me for another physical. Your sister can do this for me.

13. To be frank, I am totally impoverished and without money. Now I clean streets. I should like to ask you, therefore, dear brother Ted, for \$1,000 help.
14. I will get in touch by mail with your sister, the wife of the Ambassador in Paris -- I'll use the same green pen and tell her who I am.

The youth of the entire world is grateful to John and Bob Kennedy. May they live in eternal glory, and may the black soil in which they rest forever be light to them.

Long live Ted Kennedy, the avenger of his brothers.

In 1972, we shall triumph together. Keep this letter and follow it exactly. [On reverse of envelope] I am poor and have no money to buy a stamp. Forgive me, brother Ted. [On picture] My deepest sympathy to the Kennedys. 1968. An anonymous Serbian.

STOKIC, Djura.

Official French police records reflect that STOKIC, Djura born 28 April 1931 at Dolovo, Yugoslavia is unmarried.

A Serbian Nationalist, STOKIC claims to be supporter of the reestablishment of the monarchy in his homeland.

Manifestly obsessed with Yugoslav political problems, he often reads to his compatriots, some letters which he is addressing to the high dignitaries of the actual Yugoslavian regime, even to the Yugoslavian Ambassador in France. In these letters, STOKIC, denounces with violence the "Regime Concentrationnaire de la Yougoslavie". These letters are oft-times incoherent with vague threats.

Concerning his private life, this foreigner is unfavourably noted in the Records of the Prefecture de Police. He is generally reported as unstable in his job, hot-headed and poses as a homosexual. He lives with a Russian citizen YARESKO, Michel, born 8 Oct. 1898 at Tchensockoff, a butler, well-known for his peculiar mores ("moeurs speciales").

Your attention is directed to the fact that while this report bears no security classification its contents are of a personal nature and should be handled on a need-to-know basis and must be secured accordingly.

U. S. SECRET SERVICE
AMERICAN EMBASSY,
PARIS, FRANCE

SUBJECT: Information concerning the Yugoslav national, Djura STOKIC.

Djura STOKIC, born on April 26, 1931 at Dolovo, Yugoslavia, son of Zorco and Julijana ZIVANOV, Yugoslav national, is employed with the "Bar Cleaning" establishment, 18, Rue Chaussee d'Antin, Paris 9. He resides at 23, Rue Guillaume Tell, Paris 17.

STOKIC entered France on January 21, 1963. He is considered to be of good repute by his circle of friends. He is the holder of a residence permit valid until 3-18-67 and of Political Refugee Card No. 112-460/5626.

STOKIC is very well thought of by his employer; he is a hard worker, sober and honest.

However, following a demonstration, he was taken to the Psychiatric Institution of the Prefecture de la Seine in May 1965 and was then transferred to the Psychiatric Hospital of Ferrey-Vaucluse, Seine et Oise, where he stayed for two months.

STOKIC shows temporary signs of abnormality, relating that his uncle is a minister; that his father was a superior officer in the National Yugoslav army, but compatriots from the same district confirm that he comes from an agricultural family. However, STOKIC is widely knowledgeable. He can read but not write French. He appears to have a rather strong leaning towards writing to certain Heads of Foreign States.

He is in letter contact with some of his compatriots and is said to correspond with Vladimir ZOCHEVICH, 1913 W Schiller Street, Chicago 22, Illinois.

In general, Djura STOKIC is not subject of bad information and despite his occasional mental deficiency, is not considered as a dangerous person.

Djuro Stokic

Reference is made to your memorandum of July 24, 1968, enclosing a photograph and letter in the Serbo-Croatian language - Cyrillic script, received by the Embassy in Paris.

Due to the handwriting, a complete translation cannot be made; however, portions of the letter indicate subject to be possibly a mental case. The photograph attached to the letter is that of the subject. It is to be noted that the letter is dated January 22, 1968, at Paris, and signed "Long live Djuro Stokic, the Jew."

The first sentence of the letter indicates that subject plans to get even with President Johnson by stealing his wealth. He also claims to have a list of names of 13 American millionaires, the first being President Johnson and the 13th Governor Nelson Rockefeller. Subject claims he has been forced to this action because President Johnson is responsible for his being turned down a thousand times for a visa to enter the United States. Subject also claims that women and other people are always looking at him and following him. Subject states that, although he likes women, he loves money, "dollars," more.

Our Paris records contain no information identifiable with the subject.

In view of the threat against President Johnson, the original letter and photograph are being furnished to Mr. John H. Hanly, U. S. Secret Service, Paris.

A copy of the letter and photograph are also being furnished to the Visa Section in view of the statement by

ReBulet to Paris 8/16/68, enclosing copies of anonymous communication dated 6/11/68 at Paris, France, addressed to Senator EDWARD KENNEDY, and the translation of this communication.

By referenced letter, Paris was requested to attempt to identify the author of the above-mentioned letter..

For information of the Bureau and Los Angeles, the Paris Office recently received from CIA, Paris, a photograph and letter in the Serbo-Croatian language (Cyrillic script). A partial translation of this letter identified the writer as DJURO STOKIC. As the letter alluded to a threat to President JOHNSON, the original letter and the photograph were furnished to the Paris office of the Secret Service.

Enclosed for the information of the Bureau and Los Angeles is one copy each of Paris letter dated 8/7/68 to ALS (CIA), with copies to Secret Service and Visa Section, American Embassy, Paris. Enclosed for the Bureau is one copy of the Serbo-Croatian letter dated 1/22/68 at Paris, with photograph of DJURO STOKIC.

It is to be noted that there are numerous similarities between the letter written to Senator KENNEDY and the STOKIC communication. Both of these letters were written in the Cyrillic script of the Serbo-Croatian language and both enclosed photographs. Both letters alluded to the fact that

the writer had been refused a visa to immigrate to Chicago and both letters ended with the words "long live" (ziveo). In the letter to Senator KENNEDY, the author stated he had been born in the same year as the Senator. It is to be noted that Senator KENNEDY was born 2/22/32, while STOKIC, according to information contained in Paris Secret Service file, is listed as having been born 4/26/31 at Dolovo, Yugoslavia.

Enclosed for the information of the Bureau and Los Angeles is one copy each of Secret Service, Paris, report and American Embassy, Paris, Visa Section memorandum dated 5/26/66 pertaining to STOKIC. It is to be noted that the source of the Secret Service report is the Police Judiciaire (Criminal Police), Surete Nationale, Paris, and that it denotes that STOKIC had been placed in a psychiatric hospital in France in 1965. This same report also states that STOKIC appears to have very strong leanings toward writing letters to certain heads of foreign states.

STOKIC's visa file at the American Embassy, Paris, reveals that his application for an immigrant visa to the United States was rejected as he was found medically ineligible, class "A." According to the Visa Section, classification "A" is a classification given on the basis of mental or physical inability seldom overcome.

Based on the information set out in this letter, it is believed that the author of the letter to Senator KENNEDY may be possibly identical with DJURO STOKIC.

The Bureau is requested to have the FBI Laboratory make a comparison of the handwriting between the letter addressed to Senator KENNEDY, dated 6/11/68, with those written by STOKIC, dated 1/22/68, and the one STOKIC wrote in 1966 on the front and back of a World Council of Churches letter dated 5/24/66. Copies of these three letters are enclosed.

It is to be noted that the original STOKIC letter of 1/22/68 was furnished to the Paris office of the Secret Service on 8/7/68 and they have, in turn, forwarded this letter to their headquarters in Washington. The original STOKIC letter of 1966 is located in the American Embassy, Paris, visa file.

In addition to the Laboratory comparison, the Bureau is requested to determine from Secret Service headquarters in

PAR 62-204

Washington, D. C., if the photograph or picture enclosed with the letter to Senator KENNEDY (see page three, next to last line of translation letter) was that of the author. In the event this was the case, the Bureau is requested to compare the photograph of STOKIC with that contained in the letter to Senator KENNEDY.

A copy of the translation of the letter to Senator KENNEDY has been furnished to the Ambassador's office in view of information that the author plans to contact Mrs. SHRIVER in the future. Copies of this same communication were also furnished to the Secret Service, Security Office and the Visa Section of the American Embassy, Paris.

For the assistance of WFO, there is attached a translation from Serbian of a communication dated June 11, 1968, Paris, France, from "an anonymous Serbian." There is also attached a copy of a letter from Legat, Paris dated 8/29/68 and enclosures thereto dealing with this matter.

It is requested that Secret Service be contacted and a determination made as to whether the photograph contained in the 1/22/68 letter to President Johnson from Djuro Stokic is identical with the photograph that apparently was enclosed in the 6/11/68 anonymous communication. It is noted that Secret Service did not furnish a photograph in its referral to the Bureau.

Copies of the above-referred-to material are likewise enclosed for the information of the Los Angeles Office.

An examination is being conducted by the FBI Laboratory of the handwriting in both communications and you will be advised of the results.

SUBJECT: STOKIC, Djuro aka: Duro or Djura

POLICE FILES CHECK

STOKIC, Djuro, the subject of the attached memorandum from Mr. Philcox, Legal Attaché, was identified as being STOKIC, Djura or Djuro, born April 26, 1931 in Dolovo, Yugoslavia, son of Zarko and Juliana Zizanov STOKIC.

He came to France on January 21, 1963, bearer of Yugoslavian passport # 312193 issued in Fuzia, Yugoslavia, on June 22, 1962.

Since his arrival in France SUBJECT has worked from time to time in large concerns such as the Simca Automobile Works, with cleaning contractors, and even at the Préfecture de Police Snack Bar as dishwasher. However, it can be said that he has lived mostly from his wits, only keeping a regular job during short periods when he could not do otherwise.

An ultra-Serbian nationalist, partisan of the re-establishment of the monarchy in Yugoslavia, he for that reason joined the Mouvement National Yougoslave RAVIN GORA, of monarchist trend, with premises at 123 Bld. Davout, Paris 20. He also is a member of the National Serbian Committee in Exile, an extremist organization with headquarters at Chicago, but which is forbidden to operate in France by Order of the Minister of the Interior dated August 2, 1962.

However, the violence of his speech, his continual threats and provocation toward many political personalities, has resulted in STOKIC being kept at a distance by most of his compatriots who fear the consequences of a too boisterous action. STOKIC in fact shows himself above all to be an exacerbated anti-communist to the point where he is considered not to be in his right mind.

He was interpellated by the police on the Champs Elysees, Paris, on April 24, 1965, when waving a placard representing de Gaulle, Pétain, Goldwater, and Brigitte Bardot.

Examined by a psychiatrist, he was interned as schizophrenic paranoid and politically delirious in an asylum at Vaucluse, near Epinay-sur-Orge. He came out of that asylum on April 16, 1966.

He then continued to send numerous letters to Chiefs of State and known international personalities.

During 1965 he adhered to the extreme right-wing movement called "Occident" ("West"), which was created during 1964 and operated by Pierre SIDOS, ex-protagonist of "Le Jeune Nation" ("Young Nation") movement.

Briefly, his violent anti-communist opinions, added to his unbalanced mental state, make this foreigner liable to a more or less outstanding hostile act at the time of international political events.

He is looked-upon most unfavorably in his private life. Well-known as a homosexual, he 'cohabits' with a Russian refugee named Michel YARESKO, born on October 8, 1908 in Tchenscokoff, USSR, Maitre d'Hotel, also well-known to the Special (Morality) Section of the Paris Police.

STOKIC was interpellated on February 22, 1967 for public exposure (when exhibiting his sexual organs in a public place). Brought before the 24th Chamber of the Seine Tribunal, Paris, on February 23, 1967, he was sentenced to 3-months' imprisonment.

An Expulsion Order was issued by the Ministry of the Interior on January 19, 1968. However, it appears that on intervention of the French Office for Refugees and Stateless Persons, Paris, a new Order was issued on May 13, 1968 revoking the previous Order.

On June 7, 1968 STOKIC was granted temporary permission to stay in France (four months) enabling him either to find work, to quiet down more normally, or to leave France.

On August 5, 1968 he applied for a visa to go either to the USA, to Japan or to Israel. When making that application he stated he was domiciled at 28 rue Guillaume Tell, Paris 17, where he shares a room with the above-mentioned Yaresko.

Re: KENSALT

FBI File No. 62-587

Lab. No. D-680918067 AT

Specimens received 9/17/68

- Qc33 Photocopy of two-page handwritten letter dated 6/11/68, bearing message in Serbo-Croatian language (copy of original letter previously submitted)
- Kc23 Photocopy of two-page letter dated at Paris, 5/24/66, bearing purported handwriting of DJURO STOKIC
- Kc24 Photocopy of two-page letter in Serbo-Croatian language, dated 1/22/68, purportedly written by DJURO STOKIC, and attached copy of photograph, alleged to be that of the writer

Result of examination:

It was found that the purported writing of DJURO STOKIC appearing on the submitted photocopies designated Kc23 and Kc24 is entirely too indistinct to permit a suitable comparison with the questioned writing on the two-page letter designated as Q33. Specimen Q33 is the original letter for the photocopy Qc33. Q33 and the envelope in which it was mailed, designated Q.32, are described in FBI Laboratory report dated 8/23/68, a copy of which was furnished to the Director, U.S. Secret Service, Washington, D.C. Photocopies of Q32 and Q33 were furnished with FBI Laboratory report of 8/23/68.

Due to the indistinctness of the writing on Kc23 and Kc24, a definite conclusion was not reached whether DJURO STOKIC wrote the questioned writing on Q32 and Q33. Certain handwriting characteristics were noted in the purported known writing of DJURO STOKIC on Kc23 and Kc24 which are consistent with handwriting characteristics in the letter designated as Q33. These consistencies in handwriting characteristics indicate that Q33 may have been written by DJURO STOKIC.

The submitted material is being retained in the FBI files.

1. How do you justify taking one land from one people (Palestinians) and giving it to another (Zionist Jews)?
2. In the name of what justice do you justify the Palestinian refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. How do you justify the Zionists Jews coming from other countries and taking the place of the real owners (Palestinians) who have fled to different parts of the world from Zionists terrorism and aggression?
4. How do you justify the killing and murders that take place and are still taking place in Palestine?
5. How do you justify giving and supporting the Zionists state with military aid as munition jets so that they kill more innocent and peaceful people (Palestinians)?
6. How would you like someone forcing you out of your house and throwing you in the backyard and giving it to someone else that is not the owner?
7. How would you like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not (it depends on your conscience whether you believe in justice or not). The Palestinians are ready to die for our beloved country (Palestine), and the only peaceful solution for our people is that Palestinians should go back to their homes and the Zionist Jews should go back to their original countries where they come from. If the Zionist Jews come from paradise, let them go back to paradise and if they come from hell let them go back to hell and the Palestinian Refugees should go back to their homes and land.

I am not a communist and I hate communism. You know and it is very clear that there is no communist practices or organizations in the Arab world. If there is communism in the Arab world, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States has turned against them and if there is communism in the Middle East, American politicians are to blame because they are using good hearted American people for their own glory and fame. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, fame and glory and not for themselves. It is also a shame to see American Presidential candidates bow and kneel to Zionism to get in the white house.

Communism is using new techniques in modern warfare which is (kill yourselves) as for example what happened in Viet Nam where American soldiers were killed and not one Russian soldier's blood was shed.

Zionism is using America and taking advantage by claiming that America should fight communism for their aim which is the destruction not only for America but for the whole world. For example, the killings, murdering, and robbing, and inhuman barbarian and animalistic and criminalistic acts and behavior that they committed against the innocent peace-loving Palestinians is illegal. Also, Zionism in America is blurring the vision of good hearted Americans so that they cannot see black from white and keeping them away from the truth. The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country or the Zionist State which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed by Palestinian Commandos to destroy every American Politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

On 10/28/68, representatives of Secret Service Headquarters furnished a copy of a communication addressed to Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C. This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. Sirhan, 696 East Howard Street, Pasadena, California, and the envelope was addressed to Nixon.

Copies of the attached are forwarded for the information and assistance of Los Angeles. An effort is being made through Bureau liaison to obtain the original or a more detailed copy. The Laboratory is conducting examination of the signature in order to determine if it was, in fact, that of Sharif Bishara Sirhan.

Inasmuch as the communication may constitute a possible violation of the Extortion Statute Los Angeles should initiate immediate investigation in order to determine whether it was in fact prepared by Sharif Sirhan. Consideration should be given to conducting an immediate interview of the suspect.

Expedite and advise Bureau of results.

For the information of the Bureau, in addition to the handwriting samples of members of the family taken by Agents of this office, there are additional documents on file at the Pasadena, California, Police Department and at the City of Pasadena Welfare Department containing the signatures of SHARIF SIRHAN and SAIDALLAH SIRHAN. The most recent of these is a receipt for welfare funds given to SHARIF and SAIDALLAH SIRHAN dated 11/4/68. The second is a handwriting sample card made out in the name of SHARIEF B. Xerox copies of these documents are enclosed. The Bureau is requested to advise Los Angeles if the originals of these documents should be obtained at this time.

SIRHAN family between SAIDALLAH and SHARIF SIRHAN, who are living apart from the family home, and the mother, MUNIR and ADEL SIRHAN. Pasadena police officers who have been guarding the house on Howard Street have reported that several days ago SAIDALLAH SIRHAN appeared at the house and was refused entrance by his mother. He allegedly threw a fit of temper, screaming at her and accusing her of having money and not dividing it with SHARIF and himself. Lieutenant WRIGHT indicated he has arranged some welfare payments to SAIDALLAH and SHARIF on the basis of their contention that they could not work under their present circumstances.

At the time of the interview of SHARIF SIRHAN on 11/7/68 it was noted that SAIDALLAH SIRHAN, who was present, had been drinking. Later the same evening, about 10:00 P.M., SAIDALLAH appeared at the Pasadena Police Department looking for his brother SHARIF. SA PHILIP J. REILLY spoke with SAIDALLAH on the telephone to assure him that his brother was not in FBI custody. SAIDALLAH appeared to be quite intoxicated at this time, and separate conversation with Sergeant CHARLES T. DUVALL of the Pasadena Police Department, who was interviewing SAIDALLAH at the time, confirmed this.

COMMUNICATION ADDRESSED TO RICHARD NIXON
AND HUBERT HUMPHREY, NATIONAL HEADQUARTERS,
WILLARD HOTEL, WASHINGTON, D. C., SIGNED
BY SHARIF B. SIRHAN

On October 28, 1968, representatives of Secret Service Headquarters furnished a copy of a communication addressed to Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C. This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. Sirhan, 696 East Howard Street, Pasadena, California, and the envelope was addressed to Nixon. A Xerox copy of the letter is attached.

On November 7, 1968, Sharif Bishara Sirhan was contacted at his residence, 1659 North Lake Avenue, Pasadena, California, by two Special Agents of the Federal Bureau of Investigation (FBI), Los Angeles, California. Also present at this time was his brother, Saidallah B. Sirhan, who shares a flat with him at this address, and Mr. Anthony Sherman, Jr., a representative of the United States Secret Service Agency, Los Angeles branch.

Sirhan was advised by the FBI Agents that the inquiry related to the authorship of a two-page written document addressed to President Elect Richard Nixon and Vice President Hubert Humphrey, bearing the signature Sharif B. Sirhan. Mr. Sirhan was then orally advised by the FBI Agents of his rights. He was then asked to read an Advice of Rights Form. Mr. Sirhan interrupted this to say, "Before I say anything, I want to see the letter." A copy of the above-mentioned letter was given to him to read. He read it slowly, line by line, his hands visibly shaking, although he showed no other signs of emotion.

Mr. Sirhan then said, "I did not write this. It is not mine." He then indicated he was certainly in agreement with some of the political statements contained in the letter and had himself expressed some of these ideas, but he would not

specify which of these points he was referring to. He stated he also disagreed with some of the points in the letter.

Mr. Sirhan said he had no knowledge as to who the author of the letter could be. He said he did not dictate the letter to anyone or cause it to be written in his name. He denied that the signature at the end of the letter was his and added that the signature appearing on the letter was not a good copy or facsimile of his own. In this connection, he said he sometimes signs himself Sharif B. Sirhan, sometimes Sharif Sirhan.

Mr. Sirhan declined to furnish a signed statement attesting that the letter and signature were not his. He refused to furnish any samples of his signature, stating, "You have my signature and you have your experts. See to it yourself!"

Mr. Sirhan said he did not have a typewriter in the flat but added that there was a typewriter in his mother's home in the room formerly occupied by his brother, Sirhan B. Sirhan. He said he did not know what kind of typewriter this was and described it by dimensions as being a standard size typewriter. He indicated that he did not use it.

Mr. Sirhan said he does not know about any such organization in the United States as "the Palestine Commandos" but was certain there were many of this type in his homeland.

Mr. Sirhan said the lines drawn at the bottom of page two of the letter beneath the signature have no significance to him as Arabic or any other type of symbol and could not comment on them.

Mr. Sirhan said "No" to the question as to whether he had any reason to believe the letter in question could have been written by another member of his family or anyone of his acquaintance.

Mr. Sirhan turned to the contents of the letter and said the thoughts expressed in the letter could be the thoughts

of a majority of persons living in the United States. He then with some emotion bitterly described the manner in which he had been treated since the assassination of Senator Robert Kennedy. He spoke of people "staring at him everywhere he went", of people coming to his home and asking him questions. He said, "They say my brother killed him. Why do they have to come to me with all their questions? I didn't kill him." At this point Mr. Sirhan was reminded of the purpose of the interview and the reasons therefor, but he appeared upset and said he had nothing to add on this matter, and the interview was terminated.

The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country or the Zionist State which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed my Palestinian Commandos to destroy every American politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

Sincerely Yours,

Sharif Siman

Re: Communication Addressed to RICHARD NIXON

Willard Hotel, Washington, D. C.

ReBulet 10/31/68.

Enclosed herewith to the Bureau are five (5) copies of a letterhead memorandum (LHM) concerning the captioned matter and interview with SHARIF B. SIRHAN on 11/7/68. Also enclosed are two copies of FD-376 for transmittal of the LHM to Secret Service, Washington, D. C.

SHARIF B. SIRHAN has denied writing the letter or causing it to be written but indicated he did not repudiate the thoughts that were expressed in the letter.

A copy of the LHM is being made available to Secret Service locally, inasmuch as one of their agents was present during the interview. The interview will also be made available to the Los Angeles Police Department in the next report, submitted in the form of an FD-302.

Los Angeles will attempt to secure typewriting specimens from the typewriter maintained at the residence of Mrs. MARY SIRHAN in Pasadena, California. The Bureau will be kept advised.

~~Specimen~~ Specimen received 10/31/68

Qc35 Photocopy of envelope postmarked "PASADENA, CALIF 1968 PM 22 OCT," bearing typewritten address "Mr. Richard Nixon National Headquarters Willard Hotel Washington, D.C. 20004 U.S.A." and return address "Sharif B. Sirhan 696 East Howard Street Pasadena, California" and accompanying photocopy of letter to "Mr. Richard Nixon and Mr. Hubert Humphrey National Headquarters Willard Hotel Washington, D.C. 20004" beginning "1. How do you justify taking one land from one people..."

REMARKS:

The "Sharif B. Sirhan" signature on Qc35 is entirely too indistinct to permit a suitable comparison with the known handwriting of SHARIF SIRHAN, K12.

The limited comparison that could be made indicates SHARIF SIRHAN may not have written the signature on Qc35.

Remarks:

Qc35 is described in FBI Laboratory report dated 11/12/68, addressed to Los Angeles.

No particular similarities were noted in the writings of SAIDALLAH SIRHAN and SHARIEF B. SIRHAN with respect to the questioned writing on Qc35.

Unless the original document for Qc35, or a clearer copy thereof, is submitted to the FBI Laboratory, it is doubtful whether future comparisons with known handwriting samples, will result in any definite conclusion. Therefore, at the present time there is no immediate need for Los Angeles to submit the original documents for Kc25 and Kc26 to the FBI Laboratory.

Remarks:

It is noted that one portion of Qc36 near the middle of the recording appears to be either part of some prior recording that was not recorded over or part of a recording made over the original recording. The material during this section of the tape appears unrelated to other parts of the tape.

One copy of Qc36 is furnished for dissemination by you to the Los Angeles Police Department.

A determination as to whether any of the recorded material on Qc36 relates to the assassination of Kennedy was not attempted by the Laboratory since it is felt personnel in the Los Angeles Office familiar with the case would be in a better position to make such determination.

Re Los Angeles airtel to Director dated 12/19/69, Bureau letter to Legat, Ottawa, dated 2/26/69, and Bureau letters to Los Angeles dated 5/6/69 and 6/30/69.

Investigation developed information that PRUSZYNSKI was at the Ambassador Hotel when Senator KENNEDY was assaulted. He was assigned to the Kennedy Campaign as a reporter for Harper and Row Limited, Publishers, London. He made a tape recording of the events immediately subsequent to the assault which was made available and forwarded to the FBI, Laboratory for examination. Due to the poor quality of the original recording, the Laboratory reviewed the tape and made a dubbing from the original recording in an effort to enhance the intelligibility and reduce an interfering hum. The Laboratory suggested that the Los Angeles Office review the tape for any possible leads.

The Laboratory also provided an extra copy of the tape for dissemination to the Los Angeles Police Department.

A review of the recording was made at Los Angeles, however, it does not appear that anything pertinent to this investigation is contained on the recording.

In view of the circumstances surrounding receipt of the tape recording referred to in referenced communication and inasmuch as all other data relative to our investigation into the assassination of Robert F. Kennedy has been made available to the Los Angeles Police Department, a copy of the tape in this instance should likewise be furnished that agency.
